

RED BLENDS SLIGHTLY SWEET

BELCORVO BLEND
ROSABELLO

Medium-bodied rosé wine with low alcohol content, very pleasant to drink. It stands out for its delicate aromas and for its freshness. Although it derives from red grapes, for characteristics and combinations it is more easily assimilated to structured white wines. The right glass is the standard one for white wine, the serving temperature between 10 and 12 °C.

COLOUR

Light pink, very pale.

BOUQUET

The notes of a rosé are delicate and subtle. It has a particular personality, characterised by light and elegant aromas, in which scents and beautiful fruity and floral notes emerge.

FLAVOUR

Slightly sweet, smooth, fresh, with a good relationship between freshness and flavour. Medium-bodied, moderate alcohol content and smooth structure, with a slight tannic sensation and good acidity.
